Career Objective

Seeking a challenging role in Software Development, Full Stack Development, and AI Automation where I can apply my technical skills in React.js, Node.js, Mobile App Development, and AI-based automation solutions to contribute effectively to organizational growth while continuously enhancing my knowledge and expertise.

Education

- | | |
|---|-------------|
| B.Tech Information Technology
Erode Sengunthar Engineering College , Erode | 2022 – 2026 |
| • CGPA: 7.88/10 | |
| HSC
Kamaraj Municipal Boys Higher Secondary School , Erode | 2021 – 2022 |
| • Percentage: 64% | |

Skills

- Programming Languages:** Java, JavaScript, HTML, CSS
- Frameworks & Technologies:** React.js, Node.js, React Native, Flutter
- Automation & AI:** n8n, AI Agents, AI Automation
- Databases:** MySQL, MongoDB
- Backend & Integration:** REST APIs, Webhooks
- Tools & Platforms:** Git, XAMPP, Postman
- Core Skills:** Problem Solving, Object-Oriented Programming (OOP)

Certifications

- Earned **NPTEL Certification in Java Programming**.
- Completed **Full Stack Development Certification** at **NSIC, Chennai**.

Area of Interest

Software Development, Full Stack Development, Frontend Development, AI Automation, Mobile App Development

Projects

Edu-Connect – College Academic Portal

- Technologies Used: React.js, Node.js, MySQL
- Engineered a full-stack academic management platform for colleges.
- Created REST APIs to manage and process student academic records.
- Enhanced responsive dashboards for admin, staff, and advisors.
- Incorporated WhatsApp API to deliver student results automatically to parents.
- Increased communication efficiency and streamlined academic workflows.

WhatsApp E-Commerce Automation

- Technologies Used: n8n, APIs, Webhooks
- Built WhatsApp-based e-commerce automation workflows using n8n.
- Executed automated product listing and order placement systems.
- Merged payment gateway and order confirmation functionalities.
- Streamlined customer support and interaction handling processes.

AI Automation & Chatbot Assistant

- Technologies Used: AI Agents, APIs, Automation Tools
- Created AI agents to streamline workflows and automate business operations.
- Built chatbot assistants for real-time automated user interaction.
- Connected APIs for communication and intelligent task execution.
- Planned automation pipelines for decision-making systems.

NEET Exam Preparation Portal (SaaS Product)

- Technologies Used: React.js, React Native, Node.js, MongoDB
- Developed a SaaS-based NEET preparation platform for students.
- Built mobile and web applications using React Native and React.js.
- Implemented live classes, live exams, and practice question modules.
- Added anti-cheating detection system with automatic exam submission.
- Developed exam scheduling, live chat support, and live session features.

Experience

Full Stack Development Intern

Webase Brandings, Erode
6 Months Experience

- Developed AI agents and WhatsApp-based e-commerce systems.
- Designed and implemented automation workflows using n8n.
- Integrated WhatsApp APIs for customer interaction and order processing.
- Built frontend interfaces and backend logic using modern web technologies.
- Designed database schemas and handled API integrations.
- Worked on Tournament Gaming Application development using Flutter, Node.js, and MySQL.

Full Stack Development Intern

NSIC, Chennai

- Gained hands-on experience in frontend development and database design.
- Developed responsive web pages using modern web technologies.
- Worked on backend integration and API development concepts.
- Improved practical knowledge in full-stack web application development.

Achievements

- Won **Team Leadership Achievement Award** at **Webase Brandings** with a cash prize of **Rs. 10,000**.
- Won **Best Team Project Award** for **Edu-Connect Pro SMS Portal** at **ESEC** with a cash prize of **Rs. 10,000**.
- Secured **2nd Prize** in **Rapid Coding Competition** conducted at **CIT Coimbatore** with a cash prize of **Rs. 1,000**.

Declaration

I hereby declare that the above-mentioned information is true and correct to the best of my knowledge and belief.
